Alongside this new technology, FIFA will also feature more decision-making options, like momentum switching. Fifa 22 Serial Key also introduces "Moves and Memories", a new feature that allows you to share the moments you create in your career mode. There are three different elements to "Moves and Memories" feature: - One tap Camera: Allow you to turn on the camera to capture a moment in time from your career mode and share it as a cinemagraph with one simple tap. - Two taps Smart Moments: To capture or share your favorite "Smart Moments" (moments you've created in your career mode that have exceptional camera angles) with two simple taps. - Three taps Create: For the moments you want to create with the most precision, tap "Create" and set up a "Smart Moment."

This feature is perfect for drawing custom posters, creating replica football items or highlighting moments in time. Of course, you can capture the exact moment you want to share with up to four different faces using the new "Smart Filters". Apart from the "Moves and Memories" feature, FIFA 22 includes a new environment mode, easier-to-use controls and MyCareer. FIFA 22 is scheduled to release on PlayStation 4, Xbox One, PC and Nintendo Switch on September 27. The League Winner Tournament will feature eight teams with international players and players from lower echelons in the

What's new:

- **Face Hunter** You can rely on the global acclaim you earned in the FIFA franchise to unlock secret Face Hunter challenges. From demanding online challenges to boss battles, any player can complete a Face Hunter, and opponents will only be a challenge if you want to earn the rewards.
- **Better Deflections** Defocused or off-target crosses are giving the opposition a penalty too often. You can now assist the keeper by controlling the exact point at which these are deflected.
- **Player Performance** Improve your passing and shooting by overhauling your player's intelligence. Assign a "Passing Mode" or "Shooting Mode" depending on which attribute you want to focus on and improve across the pitch. Your player's attributes will be properly boosted, while its passing and shooting reactions will be improved to help with more passes and shots placed.
- **New Commentary** Focus on the stories behind the individuals in your favourite teams. Enjoy spectacular features, such as the incredible "Radio Replays," with the new "Performance of the Day" feature. All of these elements have been integrated into the game, giving you greater access to its backstory.
- **World Class Matches** FIFA is the definitive football simulation. With FIFA 22, players will experience more realistic World Class matches than ever before. Enhancements to conditions, weather and pitch visuals will make matches as authentic as you've ever seen.
- **Unforgettable Moments** Watch your favourite players experience the most thrilling individual scoring and diving highlights again and again. Once first in FIFA, this feature stands out for its energy, cinematic presentation and the amount of detail and quality of cutscenes dedicated to these incredible moments.
