Play more pool like you've never played before. Track your shot vectors to see how well you do. What I learned from the Iowa caucus - WestCoastJustin ===== ziddoap It's interesting that it took this long for someone to write this. I've been following Iowa politics ever since they were all the rage and I'm surprised to know that there has been a lot of controversy surrounding this from the end of their first caucus on Super Tuesday, this year and many of the previous years. ~~~ facepalm It was never the same kind of reality TV drama like with the Donald. No breaking news stories like with Brexit, no dueling camion drivers shooting each other with machine guns on the street. I have always seen it as a fun reality show. Q: Is there any good link for learning HTML and CSS independently? I am looking for a good website or book which will provide me everything I want to know about HTML and CSS from basics to advanced. It should include animation, responsive design, styles, etc. If anyone has any experience in this field and done something or read a book that really helps me then please share me. A: Here are a couple of good tutorials: CSS School Derek Banas' Great CSS tutorials Sunday, 28 July 2011 Ok so I know I said I was done and that I would be posting about the ICL album pre-release. Well, over the past few days I have had the time to listen to the album while I have been surfing and also I have been listening to it on a couple of occasions while I have been hanging around in the car. I have to say that I think is a really good album. I loved it from the beginning of the album, "For the d0c515b9f4
